PIAC has been the national voice for Canadian pension funds since 1977. Our 140 member funds are responsible for the oversight of over \$1 trillion in assets on behalf of millions of Canadians. PIAC's mission is to promote sound investment practices and good governance for the benefit of pension plan sponsors and beneficiaries.

PIAC is a forum for education and the exchange of member ideas, and through its research and advocacy activities, is the leading voice on legislative and regulatory issues affecting pension investment and governance.

Professionals responsible for the investment direction of their organization's pension funds are invited to request a membership information package.
